TRANSMITTAL OF RESPONSE CONTAINING A SEQUENCE LISTING

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Transmitted herewith is a Response and Amendment Under 37 C.F.R. §1.111 in response to the Office Action mailed December 7, 2001. The captioned application discloses an amino acid sequence and in accordance with 37 C.F.R. § 1.821(c) contains a paper and a computer readable copy of a Sequence Listing. The content of the paper copy of the Sequence Listing and the computer readable form of the Sequence Listing are the same.

Allowance of the claims and passage of the application to issuance is requested.

Respectfully submitted,  
BARNES & THORNBURG
